Explanatory Notes & Checklist

Explanatory Notes

Introduction

All personal information will be handled in accordance with the Privacy Act. Details may be verified with or provided to other agencies where necessary or required by law.

A *complete* application includes all the required documentation which has been correctly certified. You will be notified in writing if we need any additional information to process your application. Applications must be assessed as complete by the examination closing date. Incomplete applications will result in processing delays or inability to sit the ADC examination.

You will be notified in writing of the outcome of your application and the next steps in the process. Examinations are booked through a delivery organisation, Pearson VUE. If your application is successful we will send you instructions on how to book your examination.

Please note:

- To prevent delays in processing of your application please read the application form (including the **Explanatory Notes & Checklist**) carefully and ensure you have provided all the relevant supporting documentation and that the documents provided are correctly certified
- Please refer to the Australian Dental Council's certification guidelines which can be downloaded from the ADC website at www.adc.org.au

Immigration Information

If you are an overseas trained dentist who intends to migrate and work as a dentist in Australia, you should first contact the nearest Australian Embassy, High Commission or consulate for information about migration procedures and requirements for assessment of your qualifications. Information relevant to the general skilled migration categories is available from these Australian overseas posts.

If you are already in Australia on a temporary basis but need a skills assessment to support an application to change your immigration status to Australian resident, you should seek the advice of the Department of Immigration in your state or territory (<http://www.border.gov.au/>)

Certification

It is essential that copies of documents are certified. Each copy must be clearly certified by an appropriate person as a true copy of the original. Please refer to the Australian Dental Council's certification guidelines which can be downloaded from the ADC website at www.adc.org.au

Any original documents submitted to the ADC will not be returned to you.

Translation of Documents

Certified translations in English of all non-English documents must be provided and attached to the document/s to which they refer. The ADC reserves the right to request that applicants provide translation completed by a translator accredited by the National Accreditation Authority for Translators and Interpreters (NAATI). Level 3 accreditation is normally required.

Please note:

- The translator's details (name, address, etc.) must be stated in English
- Certification statements on translated documents must be translated in English.

Identity/Change of Name

Applicants must state their full legally registered name **exactly as it appears on their passport**. Any change in name will need to be supported by official documentation showing the link with previous names (*e.g.* before and after marriage). The ADC does not accept Affidavits/Statutory Declarations or newspaper announcements for this purpose. ALL candidates must provide a certified copy of the **signature of bearer page** of their passport with their application. Candidates should ensure that they have signed their passport prior to making the certified copy. If this page is not available another form of Government issued identification with the candidate signature and photograph may be acceptable.

Applicant's Personal Contact Details

ALL candidates must complete Section C of this application to ensure accurate information is provided for future use.

It is the candidate's responsibility to advise the ADC of any change of contact details using the *Notification of Change of Contact Details* form, which is available on the ADC website. Re-issuing of documentation or correspondence will occur an administrative fee.

Please note:

Changes of contact details cannot be accepted after the close of on-line registration. You will need to ensure all correspondence is forwarded to your updated address. If you change your address it is your responsibility to make necessary arrangements for the redirection of your mail.

Agents

The ADC normally deals directly with applicants for the Written Examination. Australia's privacy legislation prohibits the ADC from discussing your application with other people (third parties) unless specifically authorised to do so.

If you want someone else, such as a family member or other agent, to deal with the ADC on your behalf, you will need to indicate this by completing the ADC's *Authority to Act* form. Once your *Authority to Act* form has been processed all correspondence will be sent only to the person you have nominated. Please refer to the *Authority to Act* form which can be downloaded from the ADC website at www.adc.org.au

If your application is successful the ADC will forward the details you have given in Sections B and C to Pearson VUE, which is the organisation that will run the examination sessions. You will need to book your examination through Pearson VUE. Pearson VUE can only deal directly with the candidate and NOT with an Authority to Act.

Closing Dates

Applications received by the ADC after the nominated closing dates will not be processed **under any circumstances**.

The closing date for receipt of application forms for this examination is **26 May 2017**. If your application is successful you will be notified of the on-line registration booking period.

Exam Session

Candidates cannot postpone an examination. If, for any reason, you are unable to attend your nominated session, you will need to withdraw from the examination and reapply. Please refer to the withdrawal information in the Written Examination Handbook.

Examination Venue

The ADC Written Examination is delivered by Pearson VUE in multiple locations in Australia and overseas. The examination is only conducted in English.

While every effort is made to accommodate a candidate's venue preference, in exceptional circumstances the requested venue may not be available and an alternative will be offered.

Please note: all visa and travel arrangements are the responsibility of the candidate. Candidates should ensure they are able to travel to their nominated venue at the required time.

Payment

Money orders/bank cheques should be in Australian dollars, drawn against an Australian bank and made payable to the Australian Dental Council. Personal cheques will not be accepted. **Please note that we are unable to accept cheques from the Bank of India or cheques with adhesive tape on the face of the cheque.**

If you are paying by Visa or MasterCard, please ensure that there are sufficient funds in your account to cover the fee transaction. The ADC will make **one attempt only** to process the fee payment from your nominated credit card.

Applications and examination fees are non-transferable.

Withdrawal from the examination

Candidates withdrawing from an examination must do so by advising the ADC in writing using the [Notification of Withdrawal from an ADC Examination](#) form available from www.adc.org.au. Withdrawal statements will not be accepted by email or telephone.
